We use an outside shipping company to ship some orders, and a credit card processing company to bill users for goods and services. These companies do not retain, share, store or use personally identifiable information for any secondary purposes beyond filling your order.

During application a user is required to give certain information (such as name and email address). This information is used to contact you about the products/services on our site in which you have expressed interest.

We request information from you on our order form. To buy from us, you must provide contact information (like name and shipping address) and financial information (like credit card number, expiration date). This information is used for billing purposes and to fill your orders. If we have trouble processing an order, we'll use this information to contact you.
